

## 2023 “Summer Fun Program”

Dear Parents and Guardians of \_\_\_\_\_,

We are excited to have your child/children participate in the Edinburg Common School's Summer Fun Enrichment Program. The summer program will be filled with fun learning activities and lessons that incorporate ELA, math, science, and social studies. The program will also offer social/emotional needs, cooking lessons, STEM activities, hands on learning experiences, and summer fun! The group will even take field trips once a week to local education within our community which will extend to mapping skills, becoming more familiar with our local history, and having a great experience “on the road”.

\_\_\_\_\_ I understand that this program is designed to help my child educationally in order to close gaps and/or to prevent regression over the summer months from school not being in session.

\_\_\_\_\_ I fully intend to transport my child to and from the program on a regular basis in order for him/her to fully participate in the program.

**Or**

\_\_\_\_\_ My child is an "in-district" Edinburg resident and will be riding the bus in the AM and PM.

\_\_\_\_\_ I understand that attendance for the program is important for growth and development.

My child, \_\_\_\_\_, is happy to participate in the program/will sadly not be participating in the program (circle one)
