

INVESTMENTS

To the extent feasible, investments and deposits shall be made in and through local or regional financial institutions. Conditions

All direct investments made pursuant to this investment policy will comply with the following conditions:

A. Collateral

1. Savings accounts, money market accounts, time deposit accounts and certificates of deposit will be fully secured by insurance of the Federal Deposit Insurance Corporation or by obligations of New York State, the United States, New York State school districts and federal agencies whose principal and interest are guaranteed by the United States. The market value of collateral will at all times exceed the principal amount of the certificate of deposit. Collateral will be monitored no less frequently than on a bi-weekly basis.
2. Collateral will not be required with respect to the direct purchase of obligations of New York State, the United States and federal agencies, the principal and interest of which are guaranteed by the United States Government.

B. Delivery of Securities

1. Payment of funds may only be made upon receipt of collateral or other acceptable form of security, or upon the delivery of government obligations whether such obligations are purchased outright, or pursuant to a repurchase agreement. Written confirmation of delivery shall be obtained from the custodial bank.
2. Every Repurchase Agreement will make payment to the seller contingent upon the seller's delivery of obligations of the United States to the Custodial bank designated by the school district, which shall not be the repurchaser, or in the case of a book-entry transaction, when the obligations of the United States are credited to the Custodian's Federal Reserve account. The seller will not be entitled to substitute securities. Repurchase agreements shall be for periods of 30 days or less. The Custodial Bank shall confirm all transactions in writing to ensure that the school district's ownership of the securities is properly reflected in the records of the Custodial Bank.

C. Written Contracts

1. Written contracts are required for certificates of deposit and custodial undertakings and Repurchase Agreements. With respect to the purchase of direct obligations of U.S., New York State, or other governmental entities etc., in which monies may be invested, the interests of the district will be adequately protected by conditioning payment on the physical delivery of purchased securities to the district or custodian, or in the case of book-entry transactions, on the crediting of purchased securities to the Custodian's Federal Reserve System account. All purchases will be confirmed promptly in writing to the district.

2. The following written contracts are required:
 - a. Written agreements will be required for the purchase of all certificates of deposit.
 - b. A written contract will be required with the Custodial Bank(s).
 - c. Written contracts shall be required for all Repurchase Agreements. Only credit worthy banks and primary reporting dealers shall be qualified to enter into a Repurchase Agreement with the school district.

The written contract will stipulate that only obligations of the United States may be purchased and that the school district shall make payment upon delivery of the securities or the appropriate book-entry of the purchased securities. No specific repurchase agreement will be entered into unless a master repurchase agreement has been executed between the school district and the trading partners. While the term of the master repurchase agreement may be for a reasonable length of time, a specific repurchase agreement will not exceed thirty (30) days.

D. Designation of Custodial Bank

The Board will designate a commercial bank or trust company authorized to do business in the State of New York to act as Custodial Bank of the school district's investments. However, securities may not be purchased through a Repurchase Agreement with the Custodial Bank.

When purchasing eligible securities, the seller will be required to transfer the securities to the district's Custodial Bank.

E. Selection of Financial Institutions

1. The Treasurer will periodically monitor, to the extent practical but not less than annually, the financial strength and credit worthiness of all institutions and trading partners through which the district's investments are made.
