ADMISSION OF NON-RESIDENT STUDENTS EXHIBIT
Requirements for Non-Resident Student Tuition
Pre-K – Grade 6

It is the policy of the Edinburg Common School District to operate a tuition-free Pre-Kindergarten through Grade 6 program for students residing within the Edinburg Common School District.

Effective 7-1-2017 the Board of Trustees will be permitting non-resident students to enroll for a tuition of \$0 for all students PK-3 through 6th Grade. This will be re-visited each school year and enrollment will be based on class sizes and requirements outlined below as well as in the district policy. (Policy # 5152)

1. Availability of space without depriving students of the Edinburg Common School District. Class size for all grades are limited to the current room occupancy limits.
2. Non-Resident students are admitted only if the space, programming, classroom and staffing currently exist and can accommodate additional students.
3. Transportation will only be provided for non-resident students if and only if existing bus routing can be used, and there is room on the bus. (Policy 8410-R) In all other cases, parents are required to transport non-resident students to and from school.
4. Once a non-resident student enrolls, they must stay enrolled for that complete school year. If the student leaves the district during that school year, they are ineligible to come back as a non-resident student for that year and any future school year.
5. Should the behaviors of the non-resident student negatively impact the program, the student may be withdrawn from the program at the discretion of the superintendent.
