

Edinburg Common School

1st Grade

Welcome 1st grade students to Edinburg Common School for the 2023-2024 school year! As we begin a new school year, I want to extend a warm welcome to all of my new students. I am excited to spend the year with you and I hope you are too! This coming year will be full of new experiences and lots of learning. 1st grade is a year where all the reading and math fundamentals that were learned in Kindergarten get put together. An emphasis is also put on becoming more independent within our school routine. I look forward to getting to know each of you and having a successful academic year together. Let's make it a great one!

Below is a list of items you will need to help you be successful this year. Supplies such as crayons, colored pencils etc. will be provided by the school. Please have these items with you in the first week of school.

Sincerely,
Ciara Wiley
