

# Welcome to 4<sup>th</sup> Grade!

I know all of you are looking forward to enjoying summer vacation. But, before you know it, it will be time to start thinking about heading back to school for another year. I hope all of you are as excited about the upcoming 4<sup>th</sup> grade year as I am. I can't wait to see how productive you can be this year.

You are going to be learning a lot this year while having fun all at the same time! You will have your own 4<sup>th</sup> grade website along with your own blog. To help with all this you need to make sure you have the necessary supplies for 4<sup>th</sup> grade. To make it easier, I have created a **BACK TO SCHOOL** list for you and your families. I would really like to see you have all of the supplies you need for 4<sup>th</sup> grade before the end of the first full week of school, which means that you should have everything you need by Monday, September 14<sup>th</sup>. If you are unable to get anything on the list for any reason please let me know as soon as you can.

Parents, thank you in advance for all your help and interest, now and throughout the school year. I look forward to working with you and your child this year!
