

April 2021

Dear Parent/Guardian,

Registration is currently underway for the 2021-22 Pre-K program at the Edinburg Common School. All children must be four years of age on or before December 1st. Our records indicate that you have a son/daughter eligible for this program.

So that we can plan for you, please register your child by calling the school no later than Friday, May 7th. You will need to fill out an enrollment packet for your child to start school. You can find the Enrollment packet 2021-2022 for Pre-K on the Edinburg Common School website (www.edinburgcs.org) under the parent drop down menu in forms. If you don't have a way to print out the packet you are welcome to drop by school to pick up one from the office.

We are currently in the process of organizing our orientation, which will be held in the fall. By late August you should be receiving a letter with your child's orientation appointment. We are very excited to have you!

If you have any questions feel free to contact me at school. Thank you.

Sincerely,

Mrs. Kathryn Matthews
Pre-K teacher
